

Granville Road Estate Newsletter 27th May 2020

Beech Court Site

The piled foundations for the new flat block are complete and we will commence forming the reinforced concrete beams at ground level from the first of June which will then allow us to start excavating the basement.

Houses on the corner of Nant Rd

The four houses at the junction of Nant Rd and Granville Rd will start the week of first of June, with the installation of drainage, this will be followed by the brickwork and erection of steel columns.

Nant Court

We are due to start the three flats (block B) which will be built on the grass area between Nant Court and Nant Rd, in the next couple of weeks and will notify you as soon as we have a definite start date.

Substations & Pramsheds

The foundations for the new Sub-station and Pramshed by Granville Point are ongoing and we have started the brickwork. The foundations to the new Substation & Pramsheds by Templewood and Harpenmead Point will start in the next couple of weeks and we will notify you as soon as we have a definite start date.

Mountfield garages

The temporary works to the rear of Mountfield have recommenced and should be complete by the first of June, following which we will start removing the old garage slabs.

Roads & Drainage

We will start the construction of the new section of road to the grass area in front of Templewood in the next few weeks and will notify you as soon as the date is confirmed

If you have any queries contact John on 07760 995400

Yours faithfully

John Dale
